

IMPROVE YOUR CUSTOMER COMMUNICATIONS

ALL UNDER ONE ROOF

INTEGRITY CONNECT

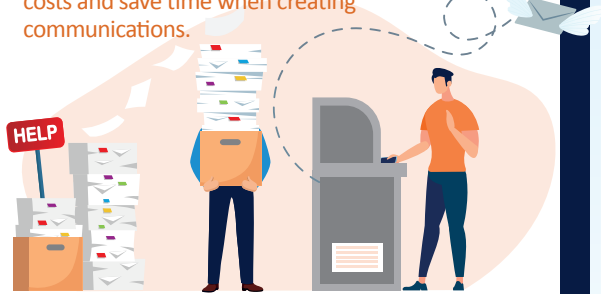

SOFTWARE SOLUTIONS

Our software team help simplify the complex, creating workflows that reduce the time it takes to send your customer communications.

DOCUMENT AUTOMATION

Slim your business processes with our automation tools, helping you reduce costs and save time when creating communications.

CLARITY MAIL

Send office mail direct from your desktop with just two clicks. No more printing, folding or franking, saving you precious time and money.

WEB2PRINT

You can now place orders, approve proofs, view stock levels, check job progress or upload data wherever you are and whenever you want using our web2print solutions.

INBOUND MAIL

Safely and securely outsource your mail handling with our virtual post room service. We can receive your mail and scan it to our document portal giving you immediate access to your critical mail.

OUTBOUND MAIL

With our mail processing facility able to handle over 2 million printed items every week you can trust us with your critical communications. Whether its letters, emails or SMS, we will manage them all for you.

THE EXPERTS IN CUSTOMER COMMUNICATIONS -
WHATEVER YOU NEED, WE'VE GOT YOU COVERED
